FURKIDS NEWSLETTER — November 18, 2010

Dear Friends,

November is Adopt A Senior Cat Month! At Furkids, we love our seniors and do not shy away from rescuing these special cats that are so deserving of love and care. Please consider adding one to your home. We are lowering our adoption fee through the end of the year, in hopes of placing more of these adult cats.

We hope you all have a wonderful Thanksgiving Holiday. We give thanks for your friendship and support.

Samantha Shelton, *Executive Director & Founder*

TICA Cat Show a Great Success

Furkids was honored to be chosen as the local rescue organization at the TICA Cat Show in October. In addition to spreading the word about Furkids, we also brought many of our adoptable cats. These cats were treated to special grooming and a chance to strut their stuff in a real cat show. Many of the

attendees gathered around to cheer on the Furkids cats as they were presented by an official judge while Furkids' Renee Cardona spoke about their backgrounds and unique personalities. The show also led to at least three adoptions. Many thanks to all the volunteers for all their work getting our cats ready for their 15 minutes of fame.

Furkids FIV+ House Needs Volunteers

Furkids is one of the few shelters in the southeast that has the capability to rescue and house a large number of FIV+ cats. They are virtually the same as other cats except their immune systems have

thrift store. Furkids provides gas. Contact Lauren at sale@furkids.org if you can help.

Volunteers at Shelter: We have an **immediate need** for Saturday, Sunday and Monday caretakers at the shelter. This job features flexible schedules and guaranteed cat attention. volunteer@furkids.org.

MedTeam at Shelter: Help administer medications to our cats with special health needs. volunteer@furkids.org.

been slightly compromised by this virus. Furkids has a special home for these cats where they flourish — it is an actual house located off of Singleton Road in Gwinnett County.

Featured Pet for Adoption

Adopt a Senior Cat!

November is adopt a senior cat month. Cats can live until their late teens so a 10+ year old cat will still have plenty of good years. Here are some excellent reasons why you should consider adding a senior cat to your home.

- They make great lap cats since they are more mellow
- They rarely make attempts to climb a Christmas tree
- They make great companions for older pets
- They don't go wild and crazy at 3 am
- They are often overlooked due to their age

We are featuring Socks as our pet of the month for adoption. Please consider adding a senior cat to your family.

Date of birth: 6/1/2001. Declawed. Socks is a beautiful tuxedo girl with a strong purr. She appreciates a good pet. Socks prefers human companionship over other cats. She will make a great companion. She will be most comfortable in a quiet home where she can settle in

and find a nice ray of sunshine beaming in through a window. Please consider Socks as your new companion. She would love to find her forever home.

Marketplace Donations Needed

The Furkids Marketplace is our thrift store in Norcross that provides some much needed revenue to help us continue helping homeless pets. We are open Monday-Friday 11-4 and Saturdays 10-4. We are still located at the corner of Spalding and 4015 Holcomb Bridge Rd behind the Dunkin Donuts.
