Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as

evaluating the overall presentation of the financial statements.

FURKIDS, INC. NOTES TO FINANCIAL STATEMENTS

NOTE A-NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Organization

Furkids is a 501(c)(3), charitable, non-profit animal shelter in Atlanta, Georgia. The mission of Furkids is to:

- provide a cage-free, no-kill shelter for our rescued animals where they can experience the best care in a loving environment until they are adopted;
- find permanent, loving, homes for our rescued animals;
- and inform the public about pet overpopulation, promote sterilization and provide information for low-cost, high-quality spay/neuter organizations.

Basis of Presentation

The financial records of the organization are maintained on the accrual basis of accounting. The financial statements have been prepared under generally accepted accounting principles. Financial statement presentation follows the recommendations of the Financial Accounting Standards board in its Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, the organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Fixed Assets

Fixed assets are reported at cost, or if donated, the organization uses the estimated fair market value. Furkids, Inc. capitalizes assets with a value of \$500 or more and a useful life of more than one year. Depreciation expense is computed over the estimated useful lives of the fixed assets using the straight-line method. Upon sale or retirement of depreciable assets, the related cost and accumulated depreciation or amortization are removed from the accounts. Any gain or loss on the sale or retirement is recognized in current operations.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could vary from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include all monies in banks and savings accounts. The carrying value of cash and cash equivalents approximate fair value because of the short maturities of these financial instruments.

FURKIDS, INC. NOTES TO FINANCIAL STATEMENTS

Expense Allocation

The Organization allocates common costs, such as salaries, postage, supplies, telephone and other expenses between program services and supporting services depending on the estimated activities of the organization. The resulting allocations are reviewed periodically, and the allocations revised, if necessary, to reflect changes in the activities.

Income Tax Status

The Organization is exempt from federal income taxes under Internal Revenue code section 501 c(3).

Donated Services

The Organization receives donated service from a variety of unpaid volunteers assisting the Organization in carrying out its activities. No amounts have been recognized in the accompanying statement of activities because the criteria for recognition of such volunteer effort under SFAS No. 116 have not been satisfied.

Contributions

The Organization accounts for contributions and grants in accordance with the recommendations of the Financial Accounting Standards Board in SFAS No. 116, Accounting for Contributions Received and Contributions Made. In accordance with SFAS No. 116, contributions received are recorded as increases in unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/ or nature of any donor restrictions.

All donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restriction. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

NOTE B – LOANS TO KEY EMPLOYEES

As of December 31, 2015, the organization's current assets included an employee loan receivable from a key employee. The loan balance of \$5,155 is considered to be received within one year and is non-interest bearing.
