

FURKIDS, INC.  
AUDITED FINANCIAL STATEMENTS  
FOR THE YEAR ENDED DECEMBER 31, 2022

BULL & BULL, CPA'S PC  
GAINESVILLE, GEORGIA

## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of  
Furkids, Inc.  
Cumming, Georgia

### **Opinion**

We have audited the accompanying financial statements of the Furkids, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Furkids, Inc. as of December 31, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Furkids, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Change in Accounting Principle**

As described in Note J to the financial statements, in 2022, Furkids, Inc. adopted new accounting guidance, ASC 842 leasing standard. Our opinion is not modified with respect to this matter.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Furkids, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Furkids, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Furkids, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

**NOTES TO FINANCIAL STATEMENTS**

**NOTE A-NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES**

Organization

Furkids is a 501(c)(3), charitable, non-profit animal shelter in Atlanta, Georgia. The mission of Furkids is to:

- provide a cage-free, no-kill shelter for our rescued animals where they can experience the best care in a loving environment until they are adopted;
- find permanent, loving, homes for our rescued animals;
- and inform the public about pet overpopulation, promote sterilization and provide information for low-cost, high-quality spay/neuter organizations.

Basis of Presentation

The financial records of the organization are maintained on the accrual basis of accounting. The financial statements have been prepared under generally accepted accounting principles. Financial statement presentation follows the recommendations of the Financial Accounting Standards board in its Statement of Financial Accounting Standards (SFAS) No. 117, Financial Statements of Not-for-Profit Organizations. Under SFAS No. 117, the organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Fixed Assets

Fixed assets are reported at cost, or if donated, the organization uses the estimated fair market value. Furkids, Inc. capitalizes assets with a value of \$500 or more and a useful life of more than one year. Depreciation expense is computed over the estimated useful lives of the fixed assets using the straight-line method. Upon sale or retirement of depreciable assets, the related cost and accumulated depreciation or amortization are removed from the accounts. Any gain or loss on the sale or retirement is recognized in current operations.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could vary from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include all monies in banks and savings accounts. The carrying value of cash and cash equivalents approximate fair value because of the short maturities of these financial instruments.

**FURKIDS, INC.**  
**NOTES TO FINANCIAL STATEMENTS**

Expense Allocation

The Organization allocates common costs, such as salaries, postage, supplies, telephone and other expenses between program services and supporting services depending on the estimated activities of the organization. The resulting allocations are reviewed periodically, and the allocations revised, if necessary, to reflect changes in the activities.

With Donor Restrictions & Without Donor Restrictions

Contributions received are recorded as increases in Without Donor Restrictions or With Donor Restrictions net assets, depending on the existence and/or nature of any donor restrictions. Contributions that are With Donor Restrictions by the donor are reported as increases in Without Donor Restrictions net assets if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in With Donor Restrictions net assets, depending on the nature of the restrictions. When a restriction expires, restricted net assets are reclassified to Without Donor Restrictions net assets and reported in the Statement of Activities as net assets released from restrictions.

Income Tax Status

The Organization is exempt from federal income taxes under Internal Revenue code section 501 c(3).

Donated Services

The Organization receives donated service from a variety of unpaid volunteers assisting the Organization in carrying out its activities. No amounts have been recognized in the accompanying statement of activities because the criteria for recognition of such volunteer effort under SFAS No. 116 have not been satisfied.

Contributions

The Organization accounts for contributions and grants in accordance with the recommendations of the Financial Accounting Standards Board in SFAS No. 116, Accounting for Contributions Received and Contributions Made. In accordance with SFAS No. 116, contributions received are recorded as increases in without donor restriction and with donor restrictions support depending on the existence and/ or nature of any donor restrictions.

All donor-restricted contributions are reported as increases in with donor restrictions net assets depending on the nature of the restriction. When a restriction expires, with donor restrictions net assets are reclassified to without donor restrictions net assets and reported in the statement of activities as net assets released from restrictions.

**NOTE H – COMPENSATED ABSENCES**

Employees of Furkids, Inc. are entitled to paid vacation, sick, and personal leave, depending on length of service and other factors. Employees and management have contracts or agreements that provide for compensated absences. It is impracticable to estimate the amount of compensation for future absences, and accordingly, no liability has been recorded in the accompanying financial statements. The current policy is to recognize the costs of compensated absences when actually paid to employees.

**NOTE I – PPP LOAN**

As a response to the coronavirus disease (COVID-19) outbreak, the U.S. Government has responded with relief legislation. Certain legislation called the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), as amended and expanded under later legislation, among other things, authorized emergency loans to Nonprofit Organizations by establishing, and providing funding for, forgivable bridge loans under the Paycheck Protection Program (PPP). In May 2020 and February of 2021, the Organization received \$428,000 and \$261,524 under the PPP. As of December 31, 2020 and 2021 the entire amount of the loans has been forgiven. The SBA will have the right to audit the Company's compliance with the PPP for a period up to six years.

	<u>Cost Plus Reinvested Inc.</u>	<u>Unrealized Fair Value</u>	<u>Unrealized Gain(Loss)</u>

	<u>Beginning Balance</u>	<u>Increase</u>	<u>Decrease</u>	<u>Ending Balance</u>

	<u>\$ 572,856</u>	<u>\$ (240,000)</u>	<u>\$ -</u>	<u>\$ 332,856</u>

**FURKIDS, INC.**  
**NOTES TO FINANCIAL STATEMENTS**

**NOTE L – LEASES (CONT.)**

The future minimum lease obligations and the net present value of these minimum lease payments as of December 31, 2022, were as follows:

Year Ending June 30	Total
2023	\$ 170,643
2024	114,089
2025	90,603
	<u>\$375,335</u>

**NOTE M – CAPITAL CAMPAIGN**

During the 2022 year, the Organization began a capital campaign to fund building improvements. Donors were given campaign commitment forms and asked to fill in the amount they intended to pledge and the specified period in which the payments would be made. Since these pledges do not meet the criteria for revenue recognition, they are not reflected as contributions in the statement of activities until the pledges are collected. Total intentions to give as of December 31, 2022 totaled \$1,950,000 with \$749,044 being received by December 31, 2022.

**NOTE N – CONTINGENT LEGAL LIABILITIES**

The arbitration arises out of a contract between Furkids, Inc. (“Company”) and Huck Construction & Development Corp., Inc. (“Huck”), wherein Huck was to serve as general contractor on a construction project known as the Furkids, Inc. Rescue, Shelter And Sanctuary Project (the “Project”). Huck has asserted claims against the Company for design delays as well as delays in Huck’s roof scupper and landscaping work, seeking a total claim of approximately \$106,859.24. Company will be asserting a counterclaim against Huck for, *inter alia*, breach of contract, as Huck has failed to fully pay its subcontractors and suppliers in the approximate amount of \$142,221.00. At this juncture, we believe it is reasonably likely the company will have minimal exposure, as the delay claim lacks factual and legal support and the amount unpaid to subcontractors exceeds the claim presented.

**NOTE O – EVALUATION OF SUBSEQUENT EVENTS**

The Organization has evaluated subsequent events through May 1, 2024, the date which the financial statements were available to be issued.
