**(Cumming, GA, June 17, 2021)**—[Furkids Animal Rescue and Shelters](#) is thrilled to announce **Crescent Mortgage** as the first-ever sponsor of its monthly pet vaccine and microchip clinic to be held on Saturday, June 26, 2021. Founded in 1993, Crescent Mortgage Company facilitates the American Dream through its national network of community lending partners. The company has been a huge supporter of Furkids since 2020; for every loan closed with Crescent Mortgage, a portion of proceeds goes directly to FurKids' lifesaving mission.

"We are excited to partner with Crescent Mortgage to provide lifesaving vaccines and exams at a low cost to the pets in our community. Vaccinating your pet is one of the easiest things you can do to help them live a long and healthy life", said Samantha Shelton, Furkids founder and CEO. "Furkids is proud to offer monthly vaccine clinics to our community as it provides us with an opportunity to raise awareness about the importance of pet immunization and also further connect with our pet-loving community."

Each month, pet families will be able to schedule appointments and/or walk-in for a variety of services for their dog or cat, including rabies and bordetella vaccines, heartworm tests, exams, and microchipping. In addition, families will be able to experience the shelter's new 9-acre facility and enjoy family-friendly fun including seasonal, catio tours, puppy playdates, music by [Bach to Rock](#), a musical petting zoo, and more! All proceeds from the event goes directly to saving the lives of some of the most at-risk animals throughout the state of Georgia and beyond.

"We're very happy to sponsor the good work of Furkids especially since many Crescent Mortgage clients are also pet owners," said David Rapson, SVP Retail Lending, Crescent Mortgage Company. "Crescent has a long history of supporting organizations that are good stewards within the community— including our animal friends – so this sponsorship is a terrific fit with our company's values. Choose Wisely, Choose Crescent."
